

Thinkin Bout Love

[Nathan Hartono](#)

Why are the stars getting so heavy?
They keep on falling from the sky.
Creating this magic between us,
Makin you think: give it a try. But wait just a minute now you've got me thinkin bout love.
Don't understand it but nobody does.
Now wait just a minute now you've got me thinkin bout love.
Don't understand it but nobody does. Why is your step getting so conscious?
As you walk into your room
Do you need someone there to follow?
Or is it too early to assume.? But wait just a minute now you've got me thinkin bout love.
Don't understand it but nobody does.
Now wait just a minute now you've got me thinkin bout love.
Don't understand it but nobody does. The time for asking is over,
The time for living is now,
This is a limited offer,
Let me show you how... But wait just a minute now you've got me thinkin bout love.
Don't understand it but nobody does.
Wait just a minute now you've got me thinkin bout love.
Don't understand it but nobody does.
Don't understand it but nobody does. Won't try to hide it cuz nobody does.
