

Kiss That Came Back

Bryan Lanning

to me.I kissed Holly,
Holly kissed Ben,
Ben kissed you,
and shortly then,
on New Year's Eve,
you kissed me.
You kissed me x4

It was the kiss that came back to me.Holly was a fun gal,
with one quote right.

Romance got the best of us,
and we kissed one night.
Good times were rolling,
Friday night again.

Holly pressed her loose lips,
right on Ben.I kissed Holly,
Holly kissed Ben,
Ben kissed you,
and shortly then,
on New Year's Eve,
you kissed me.
You kissed me x4

It was the kiss that came back to me.Ben saw some footballs,
you were looking cute,
the ball went a-flying,
it landed by your shoes.

Ben was playing that field,
thinking he'd never lose.
You didn't see it coming,
landed a wet one on you.I kissed Holly,

Holly kissed Ben,
Ben kissed you,
and shortly then,
on New Year's Eve,
you kissed me.
You kissed me x4

It was the kiss that came back to meIt is on a countdown,
stars filled the skies.

Looking at you, I saw my future in your eyes.
On New Year's Eve,

you kissed me,
You kissed me x4
it was the kiss that came back to me.I kissed Holly,
Holly kissed Ben,
Ben kissed you,
and shortly then,
on New Year's Eve,
you kissed me.
You kissed me x4
It was the kiss that came back to me.
