She She Little Sheila

Gene Vincent

Well, she, she, she little sheila
Best lookin' gal in town
Well now, she, she, she little sheila
With your hair so long and brown
Well you never-never know what my sheila's puttin' downWell now, dick clark said you're the best lookin' girl
On his big bandstand
I know it too and I love you true
And honey, I'm your man
Well you never-never know what my sheila's puttin' downYeah, she, she, she little sheila
She, she, she little sheila
She, she, she little sheila
She, she, she little sheila
Well you never-never know what my sheila's gonna put downWell, she, she, she little sheila
Best lookin' gal around
Well, she, she, she little shiela
With your hair so long and brown
Well you never-never know what my sheila's puttin' down (aw)
