This Is My Time

Sasha

If you're feelin' kind of down!
And nothing really,
seems to work out right!
Your troubles might be awful!
But don't you let,
your head hang down tonight!Just remember what it feels like!
To be standing at the top,
come on and shout it out!This is my time!
this is my life,
And I'll live it!
The way that I want it!
This is my time!
Made up my mind!
and it feels like,
I'm gonna make it!
This is my time!
This is my life!Don't you think about the past!
Just let your future dreams inspire you!
Come and get your act together!
Just believe in what you can really do!Just remember what it feels like!
To be standing at the top,
come on and shout it out!This is my time!
This is my life,
and I'll live it!
The way that I want it!
This is my time!
Made up my mind!
And it feels like,
I'm gonna make it!
This is my time!
This is my life!Never give it up!
Never give it up!
This is my time!
This is my life!
This is my time!
This is my life!This is my time!
This is my life,
and I'll live it!
The way that I want it!

This is my time!
This is my life!This is my time!
This is my life,
and I'll live it!
The way that I want it!
This is my time!
Made up my mind!
And it feels like,
I'm gonna make it!
This is my time!
This is my life!I never give it up!
Never give it up!
This is my time!
This is my life!
Never give it up!
