

# Make Tonight All Mine (1995 Anthology Version)

## Michael Jackson

Ooh baby, I've been watchin' you, girl  
When you dance, you steal the show  
Just like you're stealin' hearts  
When the lights are low All the guys are waiting  
For a chance to squeeze you tight  
Oh darlin', no, no, no  
Please not tonight 'Cause now you're in my arms, girl  
You thrill my soul  
Come on, hold me close, rock me slow  
Baby, don't let me go Oh baby, make tonight all mine  
I can make you happy just give me a try  
Oh, I waited such a long, long time  
Make tonight all mine Baby, I can satisfy you  
Gonna electrify you  
Come on, let me prove it  
Show you I can do it Been walkin' like a shadow  
Right behind you by myself  
While you were walkin' home  
With someone else Don't you know it hurts me  
Seeing you with other guys?  
Oh darlin', no, no, no  
Please not tonight When the party's over  
Let me walk you home  
I'll hold you close, rock you slow  
Never, never let you go Oh baby, make tonight all mine  
I can make you happy just give me a try  
Oh, I waited such a long, long time  
Make tonight all mine  
All, all, all mine, mine, mine, yeah Oh baby, make tonight all mine  
I can make you happy just give me a try  
Oh, I waited such a long, long time  
Make tonight all mine Ooh, hey, what you say, girl?  
Can we slip away, girl?  
Let me get to you  
I can prove to you
