Dark Monarch

Within the Ruins

What lies underneath?
A symbol of your hope
A symbol of my fear
A product of a man raised in shadows
Some say you can't fight fate
Some say you can't survive alone
But it's what i do
Its what I do that defines me
Never falter
Never suffer
Under any atrocity
Never falter
Never suffer
Under any enormity
Never falter
Never suffer
Under any atrocity
Never falter
Never suffer
Under any enormity
You'll never see me coming
I am the dark monarch
I must disguise my terror
This mask created what I am
My disguise must strike terror
This mask created what I am
Never falter
Never suffer
You'll never see me coming
I am the dark monarch
You'll never see me coming
I am the dark monarch
A product of man
Raised in shadows.
