

# Rhumba Man

Jimmy Buffett

Well, I'm the same old guy that I used to be  
I haven't changed at all  
I've got the same old walk, the same old talk  
That could drive you up the wall  
I've got the same old face, the same old smile  
And them save old baby blues  
I'm still doing the rhumba, baby  
I'm still the man for you(Chorus):  
I'm still doing the rhumba, baby  
I can't seem to quit  
If my mama catches us doing the rhumba  
Mama would just pitch a fit  
I can't help myself, it's much bigger than me  
If I were you, I would hang onto a rhumba man like meWell, there's lots of guys in this crowd tonight  
With a lot of slicker steps than me  
The do the fins to the left, fins to the right  
Everyone can see  
Well my steps might be old fashioned  
But that's alright with me  
'Cause I've got a couple of rhumba steps  
That you might like to see(Chorus):  
I'm still doing the rhumba, baby  
I can't seem to quit  
If my mama catches us doing the rhumba  
Mama would just pitch a fit  
I can't help myself, it's much bigger than me  
If I were you, I would hang onto a rhumba man like meNow, I don't lie, I'm the same old guy  
I haven't changed at all  
I've got the same old promenade, the same old talk  
That could run you up the wall  
I've got the same old face, I've got the same old smile  
I've got the same old baby blues  
Hey, I'm still doing the rhumba, baby  
I'm still the man for you(Chorus)(x2):  
I'm still doing the rhumba, baby  
I can't seem to quit  
If my mama catches us doing the rhumba  
Mama would just pitch a fit  
(x4)

I can't help myself, it's much bigger than me  
If I were you, I would hang onto a rhumba man like me
