Trimm Trabb

Blur

[Incomprehensible]I got no style
I'll take my time
All those losers on the piss again
I dose, dose away
That's just the way it is
That's just the way it is
I've got trimm trabb like the flash boys have
And I can't go back
Let it flow, let it flow
I sleep alone, I sleep alone
[Incomprehensible]That's just the way it is
Just the way it is, just the way it is
Just the way it is, just the way it is
That's just the way it is
I got trimm trabb like the flash boys have

And I can't go back
Let it flow, let it flow
I sleep alone, I sleep alone
I sleep alone, I sleep alone
[Incomprehensible]I got no style
I'll take my time
All those losers on the piss again
I dose, dose away
That's just the way it is
That's just the way it is
I've got trimm trabb like the flash boys have
And I can't go back
Let it flow, let it flow
I sleep alone, I sleep alone
I sleep alone, I sleep alone
[Incomprehensible]
