

Equally Destructive

After Forever

Ground is shaking
Waves are breaking
The wind has lost controlThe air is shifting while
It's lifting force fools gravityA huge eruption
Vast explosions
As it bursts the earthWater's pounding
Waves are sounding
Deadly and extreme"But we are equally destructive"Equally destructive as we are
Don't you think we've also gone too far?
We are just a part of this machine
And it's endless streamAlarming silence predicts
The violence that is yet to comeWe are senseless
Proud while blindness
Is catching up with usWe must measure while
The pressure of nature's force expandsWe feel minor, punished and meager
Betrayed by all our gods"We are a part of it
We are equally destructive"Equally destructive as we are
Don't you think we've also gone too far?
We are just a part of this machine
And its endless stream
