

Swell

Archy Marshall

A new place to drown
(a new place to drown)
(a new place to drown)

I might have found a new place to drown my sorrows and everything else
Well, fuck my mental health

Went down the drain as wellTo be burnin' in hell, but you can't tell, you just swell, you just swell, you just swell.

(?) the truth (?) out of the sun

Pissin' in and out of life, now we livin' free

This time, the eye, it cannot see thingsSimple lies and deceitYou used to live with me
Girl you (?)

Why'd you (?)

A new place to drown
(a new place to drown)
(a new place to drown)

I might have found a new place to drown my sorrows and everything else
Well, fuck my mental health
Went down to (?) this world

To be burnin' in hell, but you can't tell, you just swell.
