

Love The Way You Do

The DeFranco Family

Ain't no maybe, no use foolin' 'round
Girl, I'm tellin' you true
When you tease me and then you please me
Well, I just love the way you do,do,doWhen we're walking, can't help feelin' fine
Brushing up next to you
I start tremblin' and disassemblin'
Cause I just love the way you do,do,doAin't no girl next to you
Makes me feel so fine
When you do, what you do
Then I know you're mineHey, hey, hey, what I say
Oh yeah, the way you do
Na, na, na , hey , hey, hey
Love the way you doI can't wait , girl,I been hangin' on
Hoping I'm getting through
You're so tough, I can't get enough, girlI just love the way you do, do , do
I just love the way you do, do, do
I just love the way you, I just love the way
I just love the way you do, do, do
