

To the Flame

Monster Truck

The last of a dying breed
Hunted for crimes unseen
Backed into a corner he runs
His time is all but done There's no way out of here
There's no way out
There's no way out of here The past does haunt so well
Tales of the former spells
There's no mercy for those who've done wrong
To the flame cries the angry throng There's no way out of here
There's no way out
There's no way out of here There's no way out of here
There's no way out
There's no way out of here
There's no way out of here
There's no way out
There's no way out of here
