Two Hearts

Australian Crawl

Hell of a story
Hell of a yarn
Hell of a tale to tell
Pick up the pieces
Finding your things packed away
We were starstruck
We were blind
We were hopeless
Two of a kind
Boy what a fable
Where was the moral
What was it we achieved
Finding your letters
Finding your notes packed away
We were lovers

When we began
We were hopeless
Two hearts as one
Two hearts meet
Two hearts beat
Two hearts cross
A lonely street
Two hearts break
We were dumbstruck
We were blind
We were hopeless
Two of a kind
