

Two Thangs

Gucci Mane

Gucci Mane in the building, Gucci, Gucci
LaFlare, Big Kat, LaFlare
Say we got it like that, like that
Every thang don't mean two thangs, watch this Young Gucci Mane got a style so strange
Every word I use might mean two thangs
Young Gucci Mane got a style so strange
Every word I use might mean two thangs Young Gucci Mane got a style so strange
Every word I use might mean two thangs
Young Gucci Mane got a style so strange
Every word I use don't mean two thangs It ain't the way it's the principle
What kind of student make more money than the principal
And I never made the honor roll
But I'm in the lunch line with a honor roll You pumpin' iron in the weight room
I'm on the grind got a nine in the weight room
And I never play softball
But I always kept the hard and the soft balls You doin' math on the calculator
I'm weighin' slabs doin' math on a calculator
And I ain't tryin' to write no essays
I'm tryin' to get a hundred pounds for my esse You tryin' to learn how to speak Spanish
But my connect tryin' to teach me to speak Spanish
And you a monitor in the hallway
I'm all day on the grind with a 4-way Young Gucci Mane got a style so strange
Every word I use might mean two thangs
Young Gucci Mane got a style so strange
Every word I use might mean two thangs Young Gucci Mane got a style so strange
Every word I use might mean two thangs
Young Gucci Mane got a style so strange
Every word I use don't mean two thangs You the one who won the Spelling Bee
I'm the first 3rd grader with a felony
And I never was a teacher's pet
I'm the one who went and stole the teacher's cigarettes And I never went on field trips
I'm at Walter's tryin' to buy me some stash slips
And I always been cut throat
15 takin' big niggas starter coats LaFlare entertainment by myself
But I used to have a high right, low left
Gettin' money by the truck loads
Rollin' up Big Fat El Productos Before I drank V.S.O.P. Remy
I used to drink that MD 22
Woodgrain and reverse 8's

Box Chevy trunk soundin' like a earthquake
Young Gucci Mane got a style so strange
Every word I use might mean two thangs
Young Gucci Mane got a style so strange
Every word I use might mean two thangs
Young Gucci Mane got a style so strange
Every word I use don't mean two thangs
I gotta give it to you raw, man
'Cause I still keep a trunk full of raw, man
I'm a nigga from the block, man
In the club puttin' down with the block, man
You probably gotta work about 9 to 5
I'm on the grind with the nines for the 55
Bitch you a half of a 12
Low key bucket tryna duck 12's
So what's up with them T-shirts?
I got a T-shirt tuck under my T-shirt
Better watch your fuckin' tone man
'Cause you know that Gucci keep a tone man
Young Gucci Mane got a style so strange
Every word I use might mean two thangs
Young Gucci Mane got a style so strange
Every word I use might mean two thangs
Young Gucci Mane got a style so strange
Every word I use don't mean two thangs
