

# Party

Nelly Furtado

Advisory - the following lyrics contain explicit language:

Talkin' to the mirror again but it's not listenin'  
Cleanin' my dirty mind like a toilet but it won't give in  
Drinkin' spirits in the hopes that I will find myself one  
All I can rectify is that the party's just begunParty's just begun  
Party's just begun  
Party's just begun  
Party's just begunI feel like fallin' asleep and never wakin' up  
It's not that my glass is empty but I need another cup  
When all of the doors around me just shut one by one by one  
I feel like fallin' asleep but the party's just begunParty's just begun  
Party's just begun  
Party's just begun  
Party's just begunBegun  
Begun  
BegunShaky, shaky steps in the middle of the day  
A fire in my path and a cool decay  
Limbs and tooth under my skin  
Oh freedom, where do I begin?  
I'm changin' my inflection and how I say the words?  
Maybe it will sound like something they've never heard  
Oh, death of the party  
I picked up the chalice of malice  
And drank till I was full, I drank till I was full  
I was thirsty but I drank till I was full  
I drank till I, till I, till I was fullThere's a fever in my bones that I know so well  
I keep my head low, low, low, to avoid the swell  
But it'll be cold in hell, it'll be cold in hell  
It'll be before they put me in that chamber  
So I'm cleanin' up as fast as I can  
I'm cleanin' up as fast as I can  
'Cuz you can't unbreak what you break, you can't unfake the very fake  
You cannot fuel without a tank

No you can't unbreak what you break, what you break Party's just begun

Party's just begun

Party's just begun

Party's just begun Party's just begun

Party's just begun

Party's just begun

Party's just begun Party's just begun

Party's just begun

Party's just begun
