

# Another Hole In the Head

## Nickelback

I'm through thinking of things to say to you  
It's true, I've said enough and so have you  
Just drive, you slam the door and so do I  
Tongue tied from all the little things  
And they're the reason that I scream I needed you  
Probably as bad as I need another hole in the head  
'Cause I needed you  
Car keys in your hand I believe that you would leave me for dead Your turn, you'd rather leave than live and  
learn  
That's why, you want an end and so do I  
This time, I believe I'll leave it all behind  
Tongue tied from all the little things  
And they're the reason that I scream I needed you  
Probably as bad as I need another hole in the head  
'Cause I needed you  
Car keys in your hand I believe that you would leave me for dead 'Cause I needed you  
Probably as bad as I need another hole in the head  
'Cause I needed you  
Car keys in your hand I believe that you would leave me for dead I believe that you would leave me for  
I believe you would leave me for dead, me for dead  
I believe you would leave me for dead, me for dead I'm through thinking of things to say to you  
It's true, I've said enough and so have you  
Just drive, you slam the door and so do I  
Tongue tied from all the little things  
And they're the reason that I scream I needed you  
Probably as bad as I need another hole in the head  
'Cause I needed you  
Car keys in your hand I believe that you would leave me for dead 'Cause I needed you  
Probably as bad as I need another hole in the head  
'Cause I needed you  
Car keys in your hand I believe that you would leave me for dead I believe that you would leave me for dead, me  
for dead  
I believe that you would leave  
I believe that you would leave me for
