

Closer (Precursor)

Nine Inch Nails

You let me violate you
You let me desecrate you
You let me penetrate you
You let me complicate you Help me
I broke apart my insides
Help me
I've got no soul to sell
Help me
The only thing that works for me
Help me get away from myself I want to fuck you like an animal
I want to feel you from the inside
I want to fuck you like an animal
My whole existence is flawed
You get me closer to god You can have my isolation
You can have the hate that it brings
You can have my absence of faith
You can have my everything Help me
Tear down my reason
Help me
It's your sex I can smell
Help me
You make me perfect
Help me become somebody else I want to fuck you like an animal
I want to feel you from the inside
I want to fuck you like an animal
My whole existence is flawed
You get me closer to god Through every forest above the trees
Within my stomach scraped off my knees
I drink the honey inside your hive
You are the reason I stay alive
