

# Both Sides Now

Debbie Orta

Bows and flows of angel hair  
And ice cream castles in the air  
Feather cannons everywhere  
I've looked at clouds that way  
Now they only block the sun  
They rain and snow on everyone  
So many things I would have done

But clouds got in my way  
I've looked at clouds from both sides now  
I've looked at clouds from both sides now

From up and down and still somehow

It's clouds illusions I recall  
I really don't know clouds at all  
Moons and Junes and ferris wheels  
The dizzy, dancing way you feel  
When every fairy tale comes true

I've looked at love that way  
But now it's just another show  
You leave 'em laughing when you go  
And if you care don't let them know  
Don't give yourself away

I've looked at love from both sides now  
From give and take and still somehow

It's loves illusions I recall  
I really don't know love at all  
Tears and fears and feeling proud  
To say I love you right out loud  
Dreams and schemes and circus crowds

I've looked at life that way  
But now old friends are acting strange  
They shake their heads  
They say I've changed

Well somethings lost and somethings gained in living every day

I've looked at life from both sides now  
I've looked at life from both sides now  
From win and loose and still somehow  
It's lifes illusions I recall  
I really don't know life

I've looked at clouds from both sides now  
From up and down and still somehow  
It's clouds illusions I recall  
I really don't know clouds at all  
I really don't know life at all
