

Try It (Original Jamaican Mix)

Black Uhuru

Baby girl, won't you fuck with this pimpin'?
Try it out, girl, fuck with my pimpin'
Baby girl, won't you fuck with this pimpin'?
Try it out, girl, fuck with my pimpin'
Try it out, try it out, try it out, yeah
Try it out, try it out, try it out, yeah
Try it out, try it out, try it out, yeah
Try it out, try it out, try it out, yeah
Baby girl, you slippin', you startin' to look bad
What's wrong with you, girl? You done lost your swag
But with pimpin', get your swagger back
No more noodles every day, regain that ass fat back
Oh me so blessin' baby girl, tell me you down
Take you out that cheap shit, wipe you all the way down
Some Chanel, Louis Vuitton, Versace, Gucci
Got them rich niggas habits, calamari and sushi
We got D-treatment, take you around the world
I'm the prince of my city, got them diamonds and pearls
Riches, Big Bank Black, with some Maserati rider
Millionaire status, got the streets on fire
Baby girl, won't you fuck with this pimpin'?
Try it out, girl, fuck with my pimpin'
Baby girl, won't you fuck with this pimpin'?
Try it out, girl, fuck with my pimpin'
Try it out, try it out, try it out, yeah
Try it out, try it out, try it out, yeah
Try it out, try it out, try it out, yeah
Try it out, try it out, try it out, yeah
I think all of these bitches need to fuck with my
Pimpin', pimpin'
Fuck with my pimpin', yeah
I said my swag turned up to the max
Ice, D's, cars, whatever you like
Bitch, you need to fuck with my pimpin', pimpin'
Fuck with my pimpin', yeah
Baby boy, won't you fuck with my pimpin'?
Try it out, boy, fuck with my pimpin'
Baby boy, won't you fuck with my pimpin'?
Try it out, boy, fuck with my pimpin'

Try it out, try it out, try it out, yeah
Try it out, try it out, try it out, yeah
Try it out, try it out, try it out, yeah
Try it out, try it out, try it out, yeah
Now I'm gonna give you the real definition of pimpin'
I'mma make you give it up so all of us women
We saving our check and make you trick up yours
Have you buying Gucci, Louis, Prada, D4's
Houses, cars, and plenty trips
Please believe y'all boys pay for all this shit
Say pimp when me and buddy walk into the set
Say pimp 'cause I'm about to spend his whole set
Say pimp, 'cause buddy bring his bread to me
And that's the definition of a pimp to me
Get with my pimpin', my pimpin'
My pimpin', yeah
