Hard To Get

The Blossoms

Why you playin' hard to get or do you know me inside out?
No challenge, I haven't one yet seen
Keep playin' in vain but I'll figure you out
It won't be long till I've got you in my grasp
Here is what this must be, I won't hurt you, no, no
Just trust me and I'll be here for you
Why don't you open up? Come a bit closer to me
I wanna show you exactly what we could be
Why don't you open up? Come a bit closer to me
I wanna show you exactly what we could be
Why don't you open up to me, baby?
I want to show you exactly what we could be
Why don't you open up to me, baby?
See, I want to show you exactly what we could be
Don't know what it is about you that makes me focused
I need to get my way so don't obstruct it
Now why you're being difficult? Don't think I can't reach you
I see the way you think and I like it
Here is what this must be, I won't hurt you, no, no
Just trust me and I'll be here for you
Why don't you open up? Come a bit closer

(Why don't you open up to me?)
I wanna show you exactly what we could be
Why don't you open up? Come a bit closer
(Why don't you open up to me?)
I wanna show you exactly what we could be, oh
Why don't you open up to me?
Why don't you open up? Come a bit closer
(Why don't you open up to me?)
I wanna show you exactly what we could be
Why don't you open up? Come a bit closer
(Why don't you open up to me?)
I wanna show you exactly what we could
Oh, darling, why won't you come closer, come closer?
I wanna show you, I wanna show you
Why don't you open up to, open up to me?
I want to show you, I want to show you
Please, oh, baby, please

Oh, baby, why you playin' hard to get me?
I will keep on waitin' till you don't
I want to show you
