

The Phoenix Rebirth

Lyria

A wandering soul
Being pursued and tortured
Trampled
No one gives me a hand
I feel the rise is impossible Ashes are burning
The pain increases my fears
I am drowning in my tears
But I won't give up Like a Phoenix rebirth
I will live again
I will write my own fate
(And) I will turn the page
Cause I'll free myself from the cage In the darkness
All the misery and injury
Agony
The torment never ends
I am losing my faith and my belief
