

Ship Of Fools

[Sarah Brightman](#)

Remember the day
When I first set my eyes on you and
You said the same
Seemed like everything was right for us Endless nights of loving
All my doubts and fears went away
So tell me what went wrong
Now I need you Do anything to get to you
'cause we're riding on a ship of fools Now you're not the same
And all that's left are memories of
The times we had
Seems like it always has to end this way But now know your secrets
And the time is right to tell
To tell me what went wrong
Can you hear me? Do anything to get to you
'cause we're riding on a ship of fools Do anything to get to you
'cause we're riding on a ship of fools
