Beautiful

Mary Black

Long, long before I put a face on love
The one thing I knew was that
Like anything love can surprise youOne kiss and you brought me a lifetime
Do you know what that means to me?
You give me the answer to whether I bleedDeep in the darkest night
Oh, I wake you
To tell you I know that life
Is so beautiful with youAnd time will tell
What hurt and what I felt
This open road
Is long and beautifulFor every minute you need me
I want to need you
In every fear life is brand newOh, deep in the darkest night
Oh, I wake you
And tell you I know that life
Is so beautiful with youAnd time will tell
What hurt and what I felt
This open road
Is long and beautifulAnd time will tell, oh, and time will tell
What hurt and what I felt, this is what I felt
This open road, oh, this open road
Is long and beautifulAnd time will tell, oh, and time will tell
What hurt and what I felt, this is what I felt
This open road, oh, this open road
Is long and beautifulAnd time will tell
