

Smile

Kristin Chenoweth

Smile though your heart is aching
Smile even though it's breaking
When there are clouds in the sky
You'll get by if you smile
Through you tears and sorrow
Smile and there'll be tomorrow
You'll see the sun come shining through
For you Light up your face with gladness
Hide every trace of sadness
Although a tear may be ever so near
That's the time you must keep on trying
Smile what's the use in crying
You'll find that life is still worth while
If you'll just smile. Interlude
Light up your face with gladness
Hide every trace of sadness
Although a tear may be ever so near
That's the time you must keep on trying
Smile what's the use in crying
You'll find that life is still worth while
If you'll just smile
