

# I Told Em

## French Montana

All we do is flex  
On that steroids bitch watch that money stretch  
Never knew nothin', I'm stuntin' cause I'm on  
Probably turned around and he asked me where I'm goin'  
I told him, fuck away from these niggas, fuck away from these hoes  
Fuck away from these niggas, fuck away from these hoes  
I told him, fuck away from these niggas, fuck away from these hoes  
Fuck away from these niggas, fuck away from these hoes, I told him Fuck away from these niggas,  
fuck away from these hoes  
I be gone off that liquor,  
I don' made about eight figures  
Got my main bitch, my top back,  
my good batch I got that  
I want that I cop that,  
my money good I don't hide that  
Got grip on my lap and my roof on my back  
Ride, strapped from the east to the west side  
ClearPort my Lear, fuck boys out there  
Spend your stash like haan, on these drawers I wear  
And them cars I don't test drive,  
That strap by my bedside  
I dump off like bedtime,  
broads I get head shot  
Straight off top, my dog lick off shot  
Talkin' chopper sound nigga, lift up a whole block All we do is flex  
On that steroids bitch watch that money stretch  
Never knew nothin' I'm stuntin' cause I'm on  
Probably turned around and he asked me where I'm goin'  
I told him, fuck away from these niggas, fuck away from these hoes  
Fuck away from these niggas, fuck away from these hoes  
I told him, fuck away from these niggas, fuck away from these hoes  
Fuck away from these niggas, fuck away from these hoes, ? sound like the sweetest song I ever heard  
I ain't talk about no cars,  
I ain't talk about no kilos  
Where I'm from just dope fiends,  
Ain't no motherfuckin' heroes  
My shades dark, my tints up,  
my toes down, my heads up  
And I ain't never put my legs up,

now my team's strong my bread's up  
My drug dealers, pimps, killers all up in here  
Chinchillas, car dealer I be all up in there  
Ay these little niggas showed me how to move,  
gotta learn though  
Now I'm gettin' money fast,  
watch niggas burn slow  
Coke boys we mobbin', bad hoes be lovin'  
Just a bunch of young niggas thuggin', MontanaAll we do is flex  
On that steroids bitch watch that money stretch  
Never knew nothin', I'm stuntin' cause I'm on  
Probably turned around and he asked me where I'm goin'  
I told him, fuck away from these niggas, fuck away from these hoes  
Fuck away from these niggas, fuck away from these hoes  
I told him, fuck away from these niggas, fuck away from these hoes  
Fuck away from these niggas, fuck away from these hoes, I told himAll we do is flex  
On that steroids bitch watch that money stretch  
Never knew nothin', I'm stuntin' cause I'm on  
Probably turned around and he asked me where I'm goin'  
I told him, fuck away from these niggas, fuck away from these hoes  
Fuck away from these niggas, fuck away from these hoes  
I told him, fuck away from these niggas, fuck away from these hoes  
Fuck away from these niggas, fuck away from these hoes,
