

# Come on in This House

## Junior Wells

Now theres no need for you  
Standin there cryin  
Cause you know your cryin wont  
Ease your mindAnd Im beggin you  
    Im beggin you  
To come on in this house  
    Yea this ol house  
    And when youre here  
    Ill love you  
    Oh yea yea yea  
I love you soAnd if I had a million dollars  
    Id give you every dime  
    Just to hear you call me daddy  
One more timeAnd Im beggin you  
    Im beggin you  
To come on in this house  
    Yea this ol house  
    And when youre here  
    Ill love you  
    oh yea yea yea  
I love you soNow come back baby  
    Cuz Im to blame  
    I got a woman  
You got yourself a manAnd Im beggin you  
    Im beggin you  
To come on in this house  
    Yea this ol house  
    And when youre here  
    Ill love you  
    oh yea yea yea  
    I love you so
