Yellow River

Tony Christie

Solong boys you can take my place got my papers I got my pay So pack my bags and I'll be on my way to yellow riverPut my guns down the war is won
Put my bags as the time has come
I'm going back to the place that I love yellow riverYellow river yellow river is in my mind and in my eyes
Yellow river yellow river is in my blood it's the place I love
Get no time for explanation got no time to loose
Tomorrow night should find me
Sleeping underneath the moon at yellow riverCannon fire triggers in my mind I'm so glad I'm still alive
And I've been gone for such a long time to yellow riverI remember the nights were cool I can still see the waterpool
And I remember the girl that I knew from yellow river
Yellow river yellow river is in my mind and in my eyes
Yellow river yellow river is in my blood it's the place I love
