

# Sinful Woman

## Elmore James

My baby stay out all night long,  
keeps me worried all the time  
My baby stay out all night long,  
keeps me worried all the time  
I know she's done me wrong,  
She nearly drove me out of my mind  
She leave early in the mornin',  
wouldn't come home till broad daylight  
She leave early in the mornin',  
wouldn't come home till broad daylight  
But my baby don't do that no more,  
yes, she decided to do me right  
Early Tuesday mornin',  
she's got wrong doin' on her mind  
Early Tuesday mornin',  
she's got wrong doin' on her mind  
She said, "Daddy, daddy, daddy",  
and almost drove me out of my mind
