

My Last Serenade

Killswitch Engage

This is my last serenade
This is my last serenade This revelation is the death of ignorance
Tangled in a state of suffocation
Slave to self righteousness
Damnation is on your lips From sorrow to serenity
The truth is absolution
From sorrow to serenity
It's on your head This is my last serenade
I feel you as you fall away
This is my last serenade
From yourself, you cannot run away It's your choice, point the finger
But it's on your head
Your destination is a choice
Within yourself Will you rise or become a slave
To self righteousness
Open up your heart
And gaze within From sorrow to serenity
The truth is absolution
From sorrow to serenity
It's on your head This is my last serenade
I feel you as you fall away
This is my last serenade
From yourself, you cannot run away
