

Somebody Like You

Marshall Crenshaw

(marshall crenshaw)I'm so bewildered when I think about you
How can you mean all the things that you do?

Well baby

Somebody, somebody like you

Somebody, somebody like you

Somebody, somebody like you

I shouldn't be expectin' too much

From somebody like you

I cannot stand and knows you're listenin' too

Why did I ever get involved with you?

Hey baby

Somebody, somebody like you

Somebody, somebody like you

Somebody, somebody like you

I shouldn't be expectin' too much

From somebody like you

Now it's hurts me to concede

That I ever believed a single word you said

Now I feel just like a fool

And it's puttin' such a strain on my heart and my head

Some people know a thing or two

But then some people are people like you

Hey baby

Somebody, somebody like you

Somebody, somebody like you

Aw somebody, somebody like you

I shouldn't be expectin' too much

From somebody like you

Now some people know a thing or two

And then some people are people like you

Oh baby

Somebody, somebody like you

Now somebody, somebody like you

Aw somebody, somebody like you

I shouldn't be expectin' too much

From somebody like you

Somebody like you...
