

# I Will Be

Leona Lewis

There's nothing I could say to you  
Nothing I could ever do to make you see  
What you mean to me  
All the pain, the tears I cried  
Still you never said goodbye and now I know  
How far you'd go I know I let you down but it's not like that now  
This time I'll never let you go I will be all that you want and get myself together  
'Cause you keep me from falling apart  
All my life, I'll be with you forever  
To get you through the day and make everything okay I thought that I had everything  
I didn't know what life could bring  
But now I see, honestly  
You're the one thing I got right  
The only one I let inside  
Now I can breathe 'cause you're here with me And if I let you down, I'll turn it all around  
'Cause I would never let you go I will be all that you want and get myself together  
'Cause you keep me from falling apart  
And all my life, I'll be with you forever  
To get you through the day and make everything okay Without you I can't breathe  
I'm not gonna ever, ever let you leave  
You're all I got, you're all I want, oh  
'Cause without you I don't know what I'd do  
I can never, ever live a day without you  
Here with me, do you see you're all I need? And I will be, all that you want and get myself together  
'Cause you keep me from falling apart  
And all my life, I'll be with you forever  
To get you through the day and make everything okay I will be all that you want and get myself together  
'Cause you keep me from falling apart  
And all my life, I'll be with you forever  
To get you through the day and make everything okay
