

# Plan B (2010 Remaster)

## Dexys Midnight Runners

You've always been searching for something  
Which always seems to be so-so, even so  
Tightly close your eyes

Hold out your hand  
We'll make a stand  
Forget their plans  
And their demands

(Plan B)

They're testing you

(Plan B)

This week I'm strong enough for two  
(Stop, stop, stop) I'm coming, coming  
(Stop, stop, stop) I'm running  
(Stop, stop, stop) I'm burning, burning  
(Stop, stop, stop) wouldn't sell you anything

Jimmy

And then it starts off joking, and then just joking  
And then, then they stop talking to you  
And that's, that's the worst thing of all  
The worst thing of all

Whispers more than loud enough try to  
Make you feel not good enough  
Try this, like this  
Don't believe your eyes

Hold out your hand  
We'll make a stand  
Forget their plans  
And their demands

(Plan B)

Bill Withers was good for me

(Plan B)

Pretend I'm Bill and lean on me  
(Stop, stop, stop) I'm coming, coming

(Stop, stop, stop) oh, I'm running  
(Stop, stop, stop) I'm burning, burning  
(Stop, stop, stop) wouldn't sell you anything

(Plan B)

Hold on to me

(Plan B)

Iâ€™ll be your friend if you let me  
(Stop, stop, stop) I'm coming, coming  
(Stop, stop, stop) I'm running  
(Stop, stop, stop) I'm burning, burning  
(Stop, stop, stop) wouldn't sell you anything

(Stop, stop, stop) I'm coming, coming  
(Stop, stop, stop)
