

# You Want Me

Dev

(intro music)you want me you want me  
you want me you want me  
these bitches is phonie  
bitches bologna  
i just got salami  
we came for the honey  
the money you dummy  
its stuck in our tummies  
we touchin the city  
crushin the city  
and fuckin tha cityyou want me you want me  
you want me you want me  
these bitches is phonie  
bitches bologna  
i just got salami  
we came for the honey  
the money you dummy  
its stuck in our tummies  
we touchin the city  
crushin the city  
and fuckin tha cityaye im on a whole 'nother level  
u ridin some wave  
im dancin with the devil  
downtown tipsy  
like oh no she didn't  
lets sit back and watch  
all these bitches feel pretty  
clap clap clap for 'em make it go loud  
like all deez hoes stutter  
watch they motherfuckin mouth  
show me  
show me  
just how well you know me  
champagne overflowin  
its about to go downyou want me you want me  
you want me you want me  
these bitches is phonie  
bitches bologna  
i just got salami

we came for the honey  
the money you dummy  
its stuck in our tummies  
we touchin the city  
crushin the city

and fuckin tha cityyou want me you want me

you want me you want me

these bitches is phonie

bitches bologna

i just got salami

we came for the honey

the money you dummy

its stuck in our tummies

we touchin the city

crushin the city

and fuckin tha citywait hold up

no we aint the same

my baby daddy winning

and not just for the day

yo clock in clock out

we turn up turn the lights out

big schemes big dreams

and taking hella flights out

clap clap clap for 'em make it go loud

like all deez hoes stutter

watch they motherfuckin mouth

show me

show me

just how well you know me

champagne overflowin

its about to go downyou want me you want me

you want me you want me

these bitches is phonie

bitches bologna

i just got salami

we came for the honey

the money you dummy

its stuck in our tummies

we touchin the city

crushin the city

and fuckin tha cityyou want me you want me

you want me you want me

these bitches is phonie

bitches bologna

i just got salami

we came for the honey  
the money you dummy  
its stuck in our tummies  
we touchin the city  
crushin the city  
and fuckin tha city
