Is Nothing Sacred

Sacred Cowboys

If a love as strong as ours
Couldn't make it all the way
Can anything make sense at all?
If a love so deep and true
Couldn't stand the test of time
Then Mount Everest could slide and Jerusalem could fall
Is nothing sacred anymore?
Is forever just another word?
Is a promise something people used to keep
When love was worth fighting for?
If we can say goodbye
If we can say goodbye
Is nothing sacred anymore?
If we can say goodbye
Is nothing sacred anymore?
I can hear the final words
Every sentence that was said
Don't know what turned our lives around
It doesn't matter who was right
There's no justice in a dream
Never thought a heart could break
Without making any sound
Is nothing sacred anymore?
Is forever just another word?
Is a promise something people used to keep
When love was worth fighting for?
If we can say goodbye
If we can say goodbye
Is nothing sacred anymore?

If we can say goodbye
If we can say goodbye
Is nothing sacred anymore?
Our love was as certain as the dawn
As solid and safe as any love could be
Our love was a star to wish upon
And you thought that I'd saved you
Could've sworn that you saved me
Is nothing sacred anymore?

Is forever just another word?
Is a promise something people used to keep
When love was worth fighting for?
If we can say goodbye
If we can say goodbye
Is nothing sacred anymore?
Is nothing sacred anymore?
Is forever just another word?
Is a promise something people used to keep
When love was worth fighting for?
If we can say goodbye
If we can say goodbye
Is nothing sacred anymore?
If we can say goodbye
If we can say goodbye
Is nothing sacred anymore?
Is nothing sacred anymore?
Is nothing sacred anymore?
Is nothing sacred anymore?
