# Your Kingdom Reigns

## Meredith Andrews

Though we walk through the shadow of death
You will not forsake us
Though we fall, in Your arms we'd find rest
You will never fail usYou go before us, behind us
Yes You are the one who saves
You are our portion, our promise
Forever Your kingdom reignsBy Your blood, You have paid every debt
You are strong to save us
And by Your word, You will guide every step
You are ever faithful
Jesus, You are ever faithfulYou go before us, behind us
Yes You are the one who saves
You are our portion, our promise
Forever Your kingdom reignsYou go before us, behind us
Yes You are the one who saves
You are our portion, our promise
Forever Your kingdom reignsYou will not be shaken,
God of our salvation,
You are, You are the rock we stand on
You will not be shaken,
God of our salvation,
You are, You are the rock we stand on
You will not be shaken,
God of our salvation,
You are, You are the rock we stand on
You will not be shaken,
God of our salvation,
You are, You are the rock we stand onYou go before us, behind us
Yes You are the one who saves
You are our portion, our promise
Forever Your kingdom reigns
You go before us, behind us
Yes You are the one who saves
You are our portion, our promise
Forever Your kingdom reigns
You go before us, behind us
Yes You are the one who saves
You are our portion, our promise
Forever Your kingdom reigns

You go before us, behind us
Yes You are the one who saves
You are our portion, our promise
Forever Your kingdom reigns
