

# I Didn't Understand

**Elliott Smith**

Thought you'd be looking for the next in line to love then ignore  
Put out and put away  
And so you'd soon be leaving me alone like I'm supposed to be  
Tonight, tomorrow and everyday  
There's nothing here that you'll miss  
I can guarantee you this is a cloud of smoke  
Trying to occupy space  
What a fucking joke, what a fucking joke

I waited for a bus to separate the both of us  
And take me off far away from you  
'Cause my feelings never change a bit I always feel like shit  
I don't know why I guess that I just do  
You once talked to me about love and you painted pictures  
Of a never-neverland  
And I could've gone to that place but I didn't understand  
I didn't understand, I didn't understand
