

Driving Home for Christmas

The Overtones

I'm driving home for Christmas
I can't wait to see those faces
I'm driving home for Christmas, yea
And I'm moving down the line
And it's been so long
But I will be there
I sing this song
To pass the time away
Driving in my car
Driving home for Christmas
It's gonna take some time
But I'll get there
Top to toe in tailbacks
I got red lights all around
Soon there'll be a freeway, yea
Get my feet on holy ground
So I sing for you
Though you can't hear me
When I get trough
And I feel you near me
Driving in my car
Driving home for Christmas
Driving home for Christmas
With a thousand memories
I take look at the driver next to me
She's just the same
She's just the same
And I'm driving home
I'm driving home
Yeah, I'm driving home for Christmas
Driving home for Christmas
So I sing for you
Though you can't hear me
When I get trough
And I feel you near me
And I'm driving in my car
I'm driving home for Christmas
Driving home for Christmas
With a thousand memories

Driving home, I'm driving home
I'm driving home for Christmas
I can't wait to see your faces
