I'm so Helpless

Roy Drusky

A stepping stone that's all I am to you just to go between while you find someone new
How could I love another when it's through I'm so helpless every time I'm holding you
I'm so helpless every time I'm holding you I can't help it that I feel the way I do
I wish I didn't love you but I do I'm so helpless every time I'm holding you
[piano]
I'm so helpless every time...
