

# Set the Controls For the Heart of the Sun

Roger Waters

Little by little the night turns around  
Counting the leaves which tremble at dawn  
Lotuses lean on each other in yearning  
Under the eaves the swallow is resting  
Set the controls for the heart of the sun  
Over the mountain  
Watching the watcher  
Breaking the darkness  
Waking the grapevine  
Knowledge of love is knowledge of shadow  
Love is the shadow that ripens the wine  
Set the controls for the heart of the sun  
The heart of the sun  
The heart of the sun (repeating)  
Witness the man who waves at the wall  
Making the shape of his question to heaven  
Whether the sun will fall in the evening  
Will he remember the lesson of giving?  
Set the controls for the heart of the sun  
The heart of the sun  
The heart of the sun (repeating)
