Restless

Shelby Lynne

(Shelby Lynne - Jamie O'Hara - Brent Maher)Chorus
Restless, so restless
Missin' you a baby
Is a makin' me a crazy and blue
Restless, so restless
Sittin' here wishin'
I was huggin' and a kissin' on youWell, I wake up every hour
On the hour every night
Countin' down the minutes
Til you're here to hold me tight
This bed is full of empty
When I'm lyin' here alone
I got a deep desire
Baby come back homeChorusInstrumentalWell, I've walked a hundred miles
Pacin' up and down the halls
Another pot of coffee and I'm bouncin' off the walls
Smokin' like a chimney cussin' up a storm
Damn, I need your lovin'
Baby come back homeI'm restless, so restless
Sittin' here wishin'
I was huggin' and a kissin' on youSittin' here wishin'
I was huggin' and a kissin' on youRestless, so restless
Restless, so restless
