

# Poetry in Motion

## Johnny Tillotson

Poetry in motion, walking by my side  
Her lovely locomotion keeps my eyes open wide  
Poetry in motion, see her gentle sway  
All waves out in the ocean could never move that way I love every movement, there's nothing I would change  
She doesn't need improvement, she's much too nice to rearrange  
Poetry in motion, dancing close to me  
A flower of devotion, a swaying gracefully Poetry in motion, see her gentle sway  
All waves out in the ocean could never move that way I love every movement, there's nothing I would change  
She doesn't need improvement, she's much too nice to rearrange  
Poetry in motion, all that I adore  
No number nine love potion could make me love her more
