Behemoth

Shackles

Abandon me, a horror scene
A time storm, a pile up
Exterminate it, calculate it
Ricochet, smart bulletGet louder, get higher
Get true to form behemoth
Verify, storm of the eye
To detonate the fusionGet it, get it, get itBastards deformed
They're walking deadWrecking, dragging
Nagging, sagging
Blocking, cocking
Smoking, chokingGet louder, get higher
Get true to form behemoth
Intensity, it's hard to see
Diffusing the tune upGet it, get it, get itWrecking, dragging
Nagging, sagging
Blocking, cocking
Smoking, chokingGet louder, get higher
Get true to form, behemoth
Intensity, it's hard to see
Diffusing the tune upGet it, get it, get it
