Mother Mother

Love let my nightmares, turn into dreams
Love let the angels into my sleep
Love let the spirits, fly out of me
Love let my love inside go free Love let my anger, turn into peace
Love let the doves cry out in the street
Love let the poison, bleed out of me
Love let my love inside go Free
Free
Free
Free A bloody war, behind my eyes
I come out right on the other side
Just close the door, and shut the blinds
I'll come out right on the other side Love let my nightmares, turn into dreams
Love let the angels into my sleep
Love let the spirits, fly out of me
Love let my love inside go Love let my anger, turn into peace
Love let the doves cry out in the street
Love let the poison, bleed out of me
Love let my love inside go free
