

Beekeeper Seeks Ruth

Guided By Voices

That girl sittin' over there in the corner
Is as fine as the world's finest Paramount Pyramid
I met this
Beekeeper seeks Ruth
That kind of timing just isn't happening
Not today, not on any day (Flying party is here)
But the constellation is right
For a lovely fight
A special strategy for the warlocks through her
And his magical flute will sing you the truth
Beekeeper seeks Ruth (The flying party is here)
Zoo keeper keeps her
Beekeeper seeks Ruth
Zoo keeper keeps her
Hello James, the sun loves you
Get your fear in gear
'Coz the flying party is here
Goodbye, goodbye, I'm flying
To meet brother monkey
And the timing just isn't happening
Not today or not on any day
Beekeeper seeks Ruth
Zoo keeper keeps her
Zoo keeper, zoo keeper, zoo keeper
The flying party is here
The flying party is here
Oh oh, the flying party is here
My [Incomprehensible] shipped
