

Till the Day I Die

Whitesnake

When ice cold winds of winter
Chill me to the bone
An' thoughts of summer breezes
Turn my heart to stone That's when I need a hand to guide me
When it's more than I can bear
A shoulder I can cry on
Someone to lead me there An' give me love
Give me love, give me love
Till the day I die
Till the day I die Slowly I awaken
To the weavers plan for me
To drift upon the waters
Of my own uncertainty To look for a companion
Who will share my destiny
A guidin' hand to understand
An' walk to road with me An' give me love
Give me love, give me love
Till the day I die
Till the day I die I wanna be the master of my destiny
I never wanna crawl an' beg for no sympathy
When everythin' I have is yours
An' all I ask of you Is give me love
Give me love, give me love
Till the day I die
Till the day I die I never wanna be the first to show I'm down
But I'm never gonna wear the frozen smile of a clown
When everything I have is yours
And all I ask of you Is give me love
Give me love, give me love
Till the day I die
Till the day I die Give me love
Give me love
Give me love
Till the day I die Give me love
Give me love, give me love
Till the day I die
Till the day I die Till the day I die
Till the day I die
Till the day I die

Till the day I die
Till the day I die
