

Liar, Liar

Daryle Singletary

Liar, liar, you're such a great big liar
With the tallest tales that I have ever heard
 Fire, fire, you set my soul on fire
 Laughing in the corner as it burns
Right between the ribs, it's sinking in
 Oh, oh, the sirens sang so sweet
 And watched the sailors going down
 Oh, oh, you talked to me in siren song
 Yeah, anyone would drown
Anyone would drown
 Sick and tired of this mad desire
 Fluttering inside me like a hawk
 Wire, wire, got my hands on wires
 Will heaven help you when I get them off?
Right between the ribs, you'll feel it then
 Oh, oh, the sirens sang so sweet
 And watched the sailors going down
 Oh, oh, you talked to me in siren song
 Yeah, anyone would drown
Anyone would drown
 All the ships go down
 Following the sound
All the ships go down
 Oh, oh, the siren sang so sweet
 And watched the sailors going down
 Oh, oh, you talked to me in siren song
 Yeah, anyone would drown
 Oh, oh, the siren sang so sweet
 And watched the sailors going down
 Oh, oh, you talked to me in siren song
 Yeah, anyone would drown
 Anyone would drown
