

War (King Britt Remix)

Edwin Starr

Oh no-there's got to be a better way
Say it again
There's got to be a better way-yeah
What is it good for? (war)Man has a sense for the discovery of beauty
How rich is the world for one who makes you for us to show
Beauty must have power over man, warAfter the end of the war I want to devote myself
To my thoughts for five to ten years and to writing them down
War has caused unrest among the younger generation
Induction then destruction, who wants to die?
Wars come and go what remains are only the values of cultureThen of course there is revolutionary love
Love of comrades fighting for the people and love of people
Not an abstract people but people one meets and works with
When Che Guevara taught of love being
At the center of revolutionary endeavor, he meant bothFor people like Che or George Jackson or Malcolm X
Love was the prime mover of their struggle
That love cost them their lives, love coupled with a man's pride
Love coupled with a man's pride
Give it to you on top, nowWar, I despise 'cause it means destruction of innocent lives
War, means tears to thousands of mothers how
When their sons go off to fight and lose their livesI said, war, good god, now, what is it good for?
Absolutely, nothing
Say it again, war, what is it good for?
Absolutely, nothing, listen to me
War, it ain't nothing but a heart breaker
War, friend only to the undertaker, war(War, war, war, war)
War, what is it good for?
Absolutely nothing
Say it, war, good god now, what is it good for?
Absolutely nothing, say it, (war)Oh no, there's got to be a better way
Say it again, there's got to be a better way
Yeah, what is it good for?
War, what is it good for?
