

Hangman

Rev Theory

Take your places please, you'll need to sit for this one
It's a simple plan with a mangled conclusion
Give us a minute alone
You're gonna follow me down[Chorus]
Hangman (You wanna follow me)
How long (Into the bottom we're)
Headstrong (Drink from the bottle)
Until this city tears us both apartHang, man, hangNumb your senses please, you won't remember for too long
Sound the Hell alarm and commence the corruptionGive us a minute alone
You're gonna follow me down[Chorus: x2]Hang, man, hang
Hang, man, hangYou're gonna follow me
You're gonna follow me down
You're gonna follow me down
You're gonna follow me down
You're gonna follow me downGive us a minute alone
You're gonna follow me down[Chorus: x2]Hang, man, hang
Hang, man, hang
