We Got a Fight

Sham 69

I've been staying in watching television
While my mates got put in prison
You don't care what's happening to me
You don't care what's happening to meI went out on a Saturday night
I got in a bleedin' fight
All the lads came down with me
I ended up in the bleedin' gutterWho wants to screw
Do you screw do
I don't care what you say
You can screw anywayYou don't care about me
You don't care about me
I've been out every night
I didn't wanna end up in a fight
