

You Win Again

[Roy Orbison](#)

The news is out all over the town
That you've been seen a-runnin' round
I know that I should leave but then
I just can't go, you win again This heart of mine could never see
What everybody knew but me
Just trustin' you was my great sin
What can I do, you win again This heart of mine could never see
What everybody knew but me
Just trustin' you was my great sin
What can I do, you win again
What can I do, you win again
